

CABLE

LAN / Network

NCOCAT6-xx

## **Description**

NCO-Corp networking cable meets or exceeds all published standards for CAT-6 UTP, TIA TSB-155. It is UL certified and 100% Quality inspected and comes in an easy dispenser box. The “extra” riser fire rating can be used in fire controlled environments.

## **Features and Benefits**

- For Use in Gigabyte Ethernet, up to 10GBase-T Ethernet, Telecommunications, Video, Audio, and HDTV over CAT6 Applications
- UL Rated and Approved
- Polyethylene separator for enhanced NEXT, ELFEXT, and RL Bandwidth
- UL CMR riser / fire rated jacket material
- High Speed Data Transfer to 550MHz
- AWG23 Solid Bare Copper Conductor
- Ideal for use in noisy environments
- Riser Rated PVC Jacket (CMR Rating) available in 10 colors  
(WH=white, BL=-blue, BK=black, GR=green, RD=red, PU=purple, OR=orange, YW=yellow)
- EIA/TIA 568 TSB/35 Category-6 CMR UTP
