DVI-HDMI Gold Plated Black PVC 6ft/12ft

HDMI and DVI deliver the best possible digital, high-definition video for a superior viewing experience. HDMI is backward-compatible with DVI, allowing connection of HDMI-capable components and displays to equipment with DVI connections. HDMI is a much smaller and user-friendly connector than the DVI connector. The specification handles high-bandwidth, uncompressed video and multi-channel digital audio as well, all in one cable. HDMI-to-DVI is ideal for connecting digital displays such as DTVs, plasma displays, LCD TVs, and projectors to digital source devices, such as DVD players/recorders, digital set-top boxes, and AV receivers.

Material List

- ① Cable: UL (1P*#28+D+AL+MY)*4C+1P*#28+5C*#28=AL+Braid shielding
- ② HDMI Conn: HDMI 19P/M Insulation:Black Solder Type Terminal:15U" Shell:NI
- ③ DVI Conn: DVI (18+1)/M Insulation:Black Solder Type Terminal:15U" Shell:NI
- ④ Inner Mold: LDPE
- ⑤ Outer Mold: PVC Shore 45P Color:Black
- ⑥ Outer Mold: PVC Shore 45P Color:Blue
- ⑦ Screw: #4-40UNC L=2.8*44.5mm Color:Black ABS
- ⑧ HDMI Cap: PP HDMI Cap Clear
- ⑨ DVI Cap: PP DV(18+1) Cap Clear

Test:

- 1)100% Open & Short Testing
- 2) Insulation Resistance:10M ohm (Min)
- 3) Voltage:300V DC
- 4) Contact Resistor: 2 ohm(Max)

Pin Out:

P1	Color	P2	P1	Color	P2
